Spring Clean-up

Saturday May 18, 2024

Pick up 7:00 a.m. – Noon

Clean-up Guidelines:

***Collection to begin at 7:00 a.m.:** Materials need to be set at the curb properly prepared for collection as mentioned in these guidelines. Kimble will pass by each residence to provide service one time only. Materials set out after the Kimble truck passes will be left at the curb.

***Bulk Items:** Large appliances with doors removed will be collected even though they weigh over 50 pounds. (Freon must be removed from refrigerators, freezers, dehumidifiers, air conditioners, etc. and tagged by a professional service. Items not tagged will be left at the curb.) Wooden furniture and wooden chairs will be collected. Upholstered couches and chairs infested with bed bugs need to be wrapped in plastic or they will be left at the curb. Glass portions or windows need to be removed or taped for the safety of the workers and to minimize the chance for glass to spill out of the truck onto the roadway.

***Unacceptable items include:** Hazardous waste, chemicals, fuel, paint, batteries, tires, car parts, lawn mowers, metal, tree branches over 4' in length, or railroad ties. Containers over 33 gallons in size will not be emptied, containers that have materials in that weigh over 50 pounds (ex: dirt/rocks) will not be emptied.
